

FEATURED!

Vents & Breathers

Aluminum • TVC • TPO

Commercial Sol-A-Vent

Provides superior air movement using only the natural energy of the sun while preventing the intrusion of water.

The Sol-A-Vent® models offer positive venting by creating a negative pressure within the roof system which tends to draw air, including moisture, out of the roof system.

Insulvent

Aluminum One Way or Two Way vent that provides pressure equalization in the roof system. Spun from heavy gauge aluminum with unique cap design that shields against entry of wind-blown rain or snow.

MC Vent

- Quick & Easy To Install
- Extra Wide Base Opening with Security Cap
- Spun From Heavy Gauge Aluminum

Marathon Leaders Visit Italy!

Tod Cislo and his wife Tina - President of the Marathon Companies, with the addition of Jacob Cislo and wife Christie - Director of MRP Supports part of the Marathon Companies, attended a spectacular wedding in Italy to support their personal & business friends. A great partnership of almost 20 years. The Wedding was at a beautiful church in Padua near Venice in which the bride and groom arrived in a Maserati and left in an amazing Ferrari convertible, vehicles very popular in Italy. Then all proceeded to attend a reception that featured an amazing dinner, number of appetizers, & desserts. It was all topped off by a celebration that lasted into the wee hours of the night. This was truly a once in a lifetime opportunity to experience something so unique and beautiful for our Marathon leaders.

Marathon Roofing Products Attends Trade Show!

Florida Roofing & Sheet Metal Expo (July 13-14) at the Gaylord Palms Resort & Convention Center in Kissimmee, FL.

A message from Tim: "Marathon was very busy at the 2023 FRSA Trade Show. Thank you to all that stopped by our booth to discuss our line of Drains, Vents and Accessories. Looking forward to seeing everyone in 2024!"

When it Rains...Marathon Shines!
