**Salt is  
No Match  
for the  
Power of  
Poseidon...**

The Poseidon Adjustable Drain guard Locks out stones and debris with two quick twists of the wrist and prevent costly drain clogs for decades to come. Innovative guard adjusts to most residential and commercial roof drains, eliminating the expense and clutter of an extensive inventory of strainer sizes.

## AFTER 32 YEARS RON SMIGIERA IS CALLING IT A CAREER

Ron Smigiera started with Marathon in June of 1991. A lot of things in the world have changed since then but not Ron providing his services for Marathon. On Tuesday, June 6th 2023 we celebrated Ron's Retirement at The Original Warehouse restaurant in Orchard Park. Ron was presented gifts from the staff and a retirement check from President, Tod Cislo. Ron's last day of work was June 23rd 2023. Ron, a man of very few words told the group at the retirement party, "I'm really going to miss you guys".

## A MESSAGE FROM PRESIDENT, TOD CISLO

It is with great gratitude that we bid farewell to our longest tenured employee of 32 years, Ron Smigiera. We wish him all the best as he enters the next stage of his life where he and his wife Corinne will be enjoying the well-deserved time together and will be able to spend more time with their son Jason and his wife and grandchild. To add to the excitement of the moment he has also informed us of the announcement of his second grandchild. Congratulations and best of luck from all your work family at the Marathon Companies. Cheers!
