Marathon Leaders Visit & Assist Client Rooftop in Buffalo

Members of the Marathon Companies took a visit to a local rooftop job site to help start the installation process. This site is located on Main Street in Buffalo. The project utilized our MRP Supports products that included 250 of our 24x24" Cumaru wood deck tiles & 350 of our PR2 pedestals. This is a building renovation that will include office spaces and a patio section that all members of the building can enjoy.

A NEW MEMBER OF THE MARATHON FAMILY

The Marathon family has expanded once again! Jake and Christie Cislo are welcoming their 3rd child, a baby boy, Vincent James Cislo. He was born at Buffalo General hospital on July 25, 2024, weighing in at 6lbs & 15oz. He is a true blessing!
