

## Marathon Receives Preferred Supplier Award

Marathon was honored by ABC Catalog as one of 10 suppliers out of 250 at their 26th annual Preferred Supplier Partnership Meeting. We have now been a recipient of this award for 6 years in a row.

### *A Statement from President, Tod Cislo to all Staff:*

“This was an amazing day for the company. Dedication, effort pays off. You all made a difference, and it is why we are honored. Take a bow you all deserve it. This is a huge thank you to all the warehouse staff as well.”

## Marathon Attends WRSCA Trade Show in Las Vegas:

### *A message from Tim:*

“Thank you to everyone who came to see us in Vegas! Through continued efforts we will attend more trade shows and continue innovating our products to best serve the industry. Updates to come on our next show!”

**When it Rains...Marathon Shines!**

# FEATURED PRODUCTS: EXTRA LARGE DRAINS!

## RD 500 Super Flow Cast Iron Drain

10" or 12" RD-500 Super Flow epoxy coated cast iron roof drain with flashing clamp with integral gravel stop, self-locking ductile iron dome, and no hub outlet.

## RD 700 Dual Overflow Roof Drain

RD-700 epoxy coated cast iron dual outlet roof drain/overflow combination with flashing clamp, integral gravel stop, 2 in. High internal overflow standpipe, secured ductile iron dome, and no hub outlets. Constructed to withstand climate and the rigors of long-term use.

## RD 300 XL Roof Drain

RD-300 epoxy coated cast iron roof drain with flashing clamp with integral gravel stop, self-locking polyethylene dome (standard), and no hub (standard) outlet. Constructed to withstand climate and the rigors of long-term use.

## RETROFIT RING & DOMES

### Aluminum Retro Ring & Dome

Versatile easy and quick replacement for broken or missing roof drains domes and rings. Maximum drainage, strong cast aluminum and bolt down security. Fits three or four bolt patterns ranging from 6-1/2" to 11-3/4". V channel scallops openings on the ring and dome allow for maximum drainage.

### Cast Iron Ring & Dome

Tapped, extra strength lugs to accept the 2 hold-down bolts of the dome, allowing it to be firmly fixed in place to secure attachment. Ring is suitable to most standard three and four bolt pattern styles.

- Maximum drainage
- Bolt down security
- Cast Iron - weighs 21 lbs
- Also available in ALUMINUM
- Low profile

## LOOKING BACK...HISTORY OF MARATHON

Marathon Roofing started in Buffalo, NY in 1966 as a small-scale manufacturer of copper drains. Since those humble beginnings, we have significantly expanded with our President Tod Cislo taking over the reins in 2006. In 2014, he established MRP Supports as a standalone corporation. While we've experienced continued growth, Marathon remains true to its ideal of providing the best customer experience in the industry. Displayed is the day Tod Cislo purchased the company from Doug Rowan in 2006!
