## Rising Sales Creates Need for Efficiencies through Innovations

The Marathon companies continue to have significant growth. These exciting times creates the need for advancements in systems, technology & equipment to ensure our highest priority which is and always will be our service to our customers. New innovative products propel the companies to bigger & greater opportunities.

### *A Statement from President, Tod Cisko:*

It continues to be an amazing journey for the Marathon Companies. New innovative products help keep us as one of leading forces in a highly competitive environment. We are up to the challenge and more importantly recognize that investing into the businesses is imperative for our long term goals. The future is looking bright, we have the opportunity to do great things. We will accomplish that by effort, teamwork, innovations and by having fun in what we do.

## FEATURED PRODUCTS: PREMIUM ACCESSORIES

### Mara-Boot

The Universal Mara-Boot provides a permanent watertight and maintenance free means for penetrating roof systems. The Mara-Boot is able to be used on all types of roof systems and replaces using pitch pans. Made from EPDM rubber caps and spun aluminum base, each cap accommodates pipe sizes from 1-1/4" to 2". Supplied with SS clamps and resistance to weathering, ozone, UV and extreme hot and cold temperatures.

### Premium Dektites

Premium roof flashing that is available in many sizes with a flexible cone, low profile design, bonded aluminum flange and available to be painted to match floor color. EPDM will withstand temperature of -122 F to 392 F for intermittently temperatures. Silicone will withstand constant temperatures of -112 F to 392 F.

### Uni-Boot

The Uni-Boot provides a permanent watertight and maintenance free means for penetrating roof systems. It is able to be used on all types of roof systems while eliminating the need for pitch pans. Made from EPDM, rubber caps and spun aluminum base, the Uni-Boot eliminates roof leaks from roof penetrations.

## REP CORNER: DAVID SCHROEDER

David is co-owner of Pinnacle Sales Corporation. He has been in the industry for over 30 years. The territories David covers are, Illinois, Wisconsin and Minnesota. PSC represents 6+ quality manufacturers in both the commercial and residential sides of the industry. During his free time, he likes to spend time with his wife, children and grandchildren at the lake on the boat and jet skis.
